few lines for your kind consideration and favourable
orders :

The Government in their order G.O.No.2884,
P.H.dated 17th December 1934, have fixed Rs.13-4-0
per mensem as Fixed Travelling Allowance in the case
of new vaccinators working in ordinary localities

submit that the benign Government have been gracious
enough to sanction for officers and servants draw-
ing F.T.A. and working in Special (class II) tracts

including South Kanara 1 1/3 of the T.T.A. allowed for ordinary localities. The vaccinator who is without the services of a peon has to undergo a strenuous and exacting camp-life as any other touring servant and it is humbly submitted that the benefits of the Madras Travelling Allowance Rules may kindly be extended to him also.

The Memorialist therefore humbly prays that the benign Government, on reconsideration, may kindly be pleased to enhance his Fixed Travelling Allowance to Rs.17-10-0, i.e. 1 1/3 of the sanctioned rate allowed for ordinary localities as is being allowed in the case of all Government servants drawing Fixed Travelling allowance and working in South Kanara and Malabar Districts.
